Inspection Reason														
Mini Inspection Visit														
Visit Details														
<p>On June 23, 2021, Licensing Inspector Farhan Hassan made an unannounced visit to the facility to complete a focused accommodation standards inspection. During the inspections, I had conversations with 3 staff, reviewed documentations and toured the facility. The facility was found to be compliant with the most of standards under review except standard 21.1-Water Temperature and standard 16.2-Contingency Plans review.</p> <p>Please see the compliance action plan given below for the outstanding non-compliances and their timeliness for completion.</p> <p>Thank you!</p>														

The results of accommodation visits and compliance are posted on the Alberta Health public reporting website at <http://standardsandlicensing.alberta.ca> within 3 business days of the visit.

### Compliance Action Plan

#### Accommodation Standards:

Standard Reference SL	Action To Be Taken	Timeline for Completion
Non-Compliance Code 16(2)	Continuation of Services - Please submit evidence that the continuation of services plan is made available to residents and their representatives, visitors, volunteers, employees and reviewed on an annual basis to ensure that it remains effective.	2021-07-31
Non-Compliance Code 21(1)	Water Temperature - Please provide evidence of regularly scheduled checks of the hottest water temperature flowing out of the faucets in resident areas to ensure the water temperature does not exceed the maximum safe level established in the Alberta Building Code (49 degree C).	2021-07-31

Thank you for your time today.

Information to assist with compliance can be located in the Information Guides.
