Message From the Manager

Starting in June, you will see some renovations happening in our existing lodge. Our goal is to work together with residents, staff & the construction crews, to make manageable changes & transitions. I know as a team we can accomplish this. Communication & Patience will be the key!

Any questions, please stop by my office.

As of June 1st, the Homecare Office / Medical Room has been moved to N4 (North4)

Summer Solstice is the start of summer. Wednesday, June 21 will be the longest day of the year in terms of daylight hours. What a great reason to take an evening walk with me!
