Re: Director of Human Resources

Date: April 28, 2021

---

It brings me great pleasure to announce that North Peace Housing Foundation has hired a new Director of Human Resources. Leslie Brecht has accepted our offer of employment and will be starting in her new position effective May 3, 2021. She will be working out of Central Office in Peace River.

Leslie is a seasoned Human Resources Professional with over 18 years' experience, holding a Bachelor of Business Administration with a post diploma in Human Resources. In her previous roles, she has successfully supported management and employees while fostering and maintaining positive and collaborative relationships. She is experienced in recruitment, retention, health and safety, conducting investigations, as well as training and development. Her extensive Human Resources experience has allowed her to become an effective communicator, coach, problem solver and analytical thinker and we are so excited to bring her onboard!

As Director of Human Resources, Leslie will be a member of the senior management team and will be responsible for all activities related to the policy, planning, coordination, implementation, monitoring, and evaluation of human resource related functions in accordance with the applicable legislation and organizational policies of the Foundation. This position works closely with all management and staff to advise, mentor/coach, support, and lead HR programs that align with the values and strategic direction of North Peace Housing.

Thank you for joining me in welcoming Leslie to the North Peace Housing team and wishing her all the best in her new role!

Sincerely,

Tammy Menssa  
Executive Director
