February 28, 2022

Dear Residents, Staff, and Family Members,

As of today, based on the most up-to-date information, we have the following update:

- Out of the 32 residents and 4 NPHF staff members who previously tested positive for COVID-19:
  - 30 residents have fully recovered.
  - 2 residents are symptomatic and isolating; one has gone to hospital.
  - 4 NPHF staff members have fully recovered.
- All residents who previously tested negative were retested on February 14; all tests came back negative.

We continue to strongly discourage visitors from coming into the Lodge until the outbreak status is lifted by the Medical Officer of Health. If you feel that a visit is necessary, it must be scheduled with the Lodge in advance.

NPHF continues to support virtual connections including Zoom Calls, FaceTime, or the resident's preferred method.

We will update with new information as it comes in.

If you have any questions or concerns, please contact Ashli Champeau, Director of Housing Operations, at 780-624-3919 or ashli.champeau@nphf.ca.

Sincerely,

Tammy Menssa
Executive Director
