September 12, 2020

Dear Homesteader Lodge Residents, Staff, and Family Members,

It is with cautious optimism that I am pleased to report that residents are improving and getting stronger everyday and are starting to come out of isolation.

As of this afternoon, we have 7 residents who are out of isolation and there are now only 3 residents who are showing COVID-19 symptoms. The residents who are symptomatic are experiencing mild symptoms and are on the road to recovery. We hope that 2 more residents will be out of isolation tomorrow and possibly 3 more on Monday. We will continue to update as the situation progresses.

All NPHF and AHS employees have recovered and are cleared to come back to work.

Due to our continued Outbreak status and the number of cases in the community, North Peace Housing continues to discourage visitors from coming into the Lodge at this time. We are happy to support virtual connections including Zoom Calls, Facetime, or the resident's preferred method.

To our residents, you have been wonderful through all of this and your cooperation is certainly assisting us in getting through this together.

To our community, please accept our gratitude for your continuing concern, kind words of support and comfort. They mean a lot to our residents and our team.

I would like to extend a very sincere *Thank You* to Homesteader Management, staff, and AHS Home Care. It was your quick response and teamwork that has made all the difference. You are working diligently to contain the spread of the virus and keep our residents safe and comfortable. This has been a very stressful time for everyone concerned, but you have remained calm, compassionate, and resourceful! Thank you all for your continuing efforts.

**If you have any questions or concerns, please contact Housing Manager, Tracey Riewe at 780-494-3500 or [tracey.riewe@nphf.ca](mailto:tracey.riewe@nphf.ca)**

Best regards,

Tammy Menssa  
Executive Director
