Re: Housing Accommodations Manager – Hines Creek/Worsley Housing Portfolio

Date: June 27, 2022

It brings me great pleasure to announce that North Peace Housing Foundation has hired a new Manager for the Hines Creek/Worsley Housing portfolio, effective August 2, 2022.

Tara Schlichter has been an employee of the Foundation since October of 2016 and has experience in all areas of lodge operations relative to resident services, including housekeeping, cooking, Health and Safety, and most recently, outbreak management. Her strong work ethic, positive attitude, and compassionate nature should serve her well in her new role.

In addition to her work with the Foundation, Tara has experience owning/operating an oilfield company and has first-hand knowledge of business operations, including bookkeeping, payroll, Accounts Payable/Receivable, Health and Safety, etc.

As Housing Manager, Tara is responsible for the day-to-day efficient operation of all housing units (lodge and self-contained) within her portfolio and for the provision of safe, quality services and programs for all clients according to all pertinent legislation, inspection guidelines and Board policy. As a member of the management team, Tara will work closely with all Directors, in conjunction with all stakeholders and legislative bodies, to ensure the organization is compliant in all legislative and policy areas.

Please join me in welcoming Tara to the North Peace Housing management team and wishing her all the best and much success in her new role!

Sincerely,

Tammy Menssa
Executive Director
