Dear Hazel Reintjes,

RE: The Council of Northern Sunrise County's request for an update regarding North Peace Housing Foundation trailers in Cadotte Lake

At the December 14, 2021 regular Council meeting, Council received the 2022 North Peace Housing (NPHF) requisition and had a discussion regarding the condition of some of the trailers located in Cadotte Lake. After the discussion, the following motion was made:

769/12/14/21 MOVED by Councillor Whitehead that Council direct Administration to send a letter to the North Peace Housing Foundation requesting an update regarding their trailers in Cadotte Lake, AB.

CARRIED

Council is requesting an update on the status of the units operated by NPHF in Cadotte Lake, including a timeline for repairs, or a plan if they are not going to be repaired, to maintain the safety and wellbeing of the community. We also would like to know if there is a waiting list for these units that are not able to be rented at this time due to their condition.

Council appreciates your cooperation on this matter and we look forward to receiving an update as soon as possible.

Sincerely,

Carolyn Kolébaba
Reeve
Northern Sunrise County
