To Whom it May Concern:

We have received a couple of concerns for the Hines Creek Homesteader Lodge, regarding the common area for residents and visitors.

We understand a meeting was held where it was unanimously decided, that the common area could be used for residents and visitors. All residents at this time cannot use the common area with visitors.

Are there Alberta Health Service Regulations preventing this? Is there a North Peace Housing Foundation policy against this?

Thank you for clarifying these concerns for us.

Yours truly,

Tammy Schiml  
Constituency Assistant to MLA Todd Loewen
