Welcome to May! I am looking forward to everything turning green & flowers springing up.

Please remember to bring your Notice of Assessment into myself or to Willette in her office as soon as you receive it, so we can complete all Income Reviews in a timely fashion. Once I have everything ready to go, we will set up a date for appointments to get everything singed up.

Enjoy the warm weather that's coming, hoping you're all able to get out & enjoy the spring fresh air.

Hello Everyone!

May is the month of growth and fertility. The trees and flowers begin to bud and remind us of upcoming summer foliage. It is also Mental Health Month Awareness. We encourage and welcome visitors here at Homesteader as some of our residents have no regular visitors and this can help with their mental wellbeing.

We will be having a variety of outdoor activities this month from picnics, going for walks and starting our flowerpots and vegetables seedlings to plant for our residents to enjoy. Annual Income Reviews are approaching, please ensure your family members have completed their personal income tax return for 2022. Tara Schlichter
