Dear Hazel Reintjes:

As Minister of Seniors, Community and Social Services, I extend my gratitude and admiration for the exceptional level of professionalism, compassion and resourcefulness exhibited by North Peace Housing Foundation and staff throughout the wildfire crisis. The impact of the wildfires has led to challenging and uncertain times for our communities, particularly for individuals experiencing homelessness.

I acknowledge the prompt and efficient evacuation of affordable housing tenants to safety and the kindness and compassion of your staff. In those difficult moments, the care and professionalism of your staff provided reassurance and comfort to anxious seniors. Your efforts were invaluable toward minimizing the impact of the crisis and providing much-needed support to those affected.

Please convey my sincere gratitude and recognition to your staff, and to family members who were there to support their loved ones. Their efforts serve as a testament to their unwavering commitment to the safety and well-being of seniors in their care.

Sincerely,

Jason Nixon
Minister of Seniors, Community and Social Services
