Message From the Manager

Winter has started to arrive! Be sure you're wearing the proper clothing & footwear when venturing outside.

The temperature in the Dining Room may fluctuate from time to time due to boiler-controlled heat. Please keep a sweater handy if needed during transitions to colder weather.

A reminder if you are experiencing symptoms of influenza, COVID, gastro or any transmittable illness, we ask that you quarantine until an outcome can be derived. We want to do our best to keep all residents & staff as healthy and safe as we can in the upcoming winter months.

November 11th Remembrance Day

Remembrance Day commemorates those who died in armed conflicts, particularly in and since World War I. In Canada, November 11 is officially called Remembrance Day, but it is also known as **Armistice Day** and **Poppy Day**. Proceeds from the purchase of Poppies is collected by the Legion and used towards services for Veterans.

We will observe a moment of silence at 12 noon on November 11th.

Walking Club will continue throughout the winter months indoors! It will be on Tuesday & Friday mornings at 11am. Our starting point is at the front doors, so come join us to stretch out your legs and maintain mobility.

New & Noteworthy

Curling

We will start floor curling again this month. This fun sport can be played by all, so please join us in the dining room on the scheduled day to participate or cheer on a team!

Teatime

We will be having **Teatime** every Wednesday @ 2:30 pm. It's an opportunity to come have a social visit with the other residents and staff. We will be serving varieties of teas using our teacup collection accompanied with a delicious snack.

Message From the Manager

Welcome November! November is the month of the Poppy; The Legion should be around shortly to bring us some poppies to buy.

The Poppy field represents each son, daughter, grandchild, brother, sister, mom, and dad who served our country.

We will Remember!

Flu season is here in full force. We did have Value drug mart come in to offer Flu & Covid vaccines. If any residents still require theirs, please reach out to me & I can be in contact with Stacy. If you're feeling unwell, please refrain from coming out of your room, please.

We have a few tenants that will be staying with us for a little while from our Garden Court Apartment Complex. Please help welcome them with open arms during their displacement.
