Message From the Manager

Every day we can see the lodge addition and renovations taking place. With this exciting construction we also must be accommodating to change. Our dining room is the main area for activity so the table arrangements may have to be adjusted in position from time to time.

Once again, I *Thank -you,* the residents for all your patience & cooperation.

What a Team We Are!

As we say goodbye to Summer and prepare for Fall, be sure to take a stroll outside, sit on the patio or the benches out front & enjoy the outdoors before the snow flies.

Sharon Henituk

Events

Manning Elementary School Gr. 5 visit

New & Noteworthy

Early Arrival

We welcome baby Zane after an early arrival on Sept 22nd. The winner of the baby pool was Theresa Sonntag, good guessing with the exact date and gender however just slightly off with his weight.

Card Bingo

Our country drives will resume in the Spring, so we have added card bingo back into the activities every Wednesday at 3pm. Everyone is welcome to play!

Front Seat Viewing

The hardworking construction men/women have provided us with two window views. We can sit back and watch them work while we drink our coffee from the comfort of our dining room.

Thank You!

Message From the Manager

I would like to welcome our new residents to the Harvest Lodge. We hope you settle in well in your new home.

It's that time of year again that the flu season is upon us. Please remember to wash and sanitize your hands often and if you feel sick stay in your room and let the staff know.

We are always looking for more volunteers. If you know someone that would like to volunteer an hour or two a week to come spend some time with our seniors, please let us know.

Message From the Manager

Hello Everyone!

Summer is behind us, and fall is slowly making its mark on the trees, giving us a show of beautiful color.

A few new Residents have moved in, and the Staff at Homesteader would like to extend a warm welcome to you all.

With the approach of flu season, we ask that you take extra precautions when you are socializing throughout the building; remembering to wash your hands regularly and let staff know when you are feeling unwell.

This month we will be having a Thanksgiving Dinner Meal for families to attend and as always, our Residents enjoy your company.

“Thanksgiving is a time to give, love and reflect on what really matters in life.”
