## December 2020

### New and Noteworthy

Holiday Photos! We will be taking each Resident's photo and printing out 3 copies, 1 for your grade 5 buddy, 1 for your family and 1 for you. Jessica will have a schedule for which day your photo will be (December 4<sup>th</sup> or 7<sup>th</sup>). You will also have the option of having their hair done the day of your photo.

Join Jessica's guided Handivan Tour of Manning to check out the Christmas Lights. We will be driving the streets of Manning to check out the beautiful displays in our community. Be sure to sign up!

The Handivan will be continuing its service to the Lab, Clinic and Outpatients on Thursday mornings. Be sure to let Jessica or Sharon know if you book an appointment.

Reminder to please get in touch with a staff member if you are interested in connecting with your family and friends through technology.

*\*All activities are subject to change due to outbreak status*

### Grade 5 MES Buddies

The class will be coming by for a window visit on **December 17<sup>th</sup>** during their lunch hour around 12:15. We will be giving them our letters and a small gift for the holidays. Please stay in the dining room, so we can wish them all a Merry Christmas!

They will be sending us a video of their Christmas concert and assembly. These videos will be set up on the tv for all to watch. Keep an eye on the big whiteboard for which date this will be happening.

### Manager's Notes

The COVID pandemic has now taken us into the month of December. The CMOH Dr. Hinshaw recently sent a letter to all seniors in congregate living and staff working in this environment reminding us it is **imperative** that we remain vigilant in our actions to protect ourselves and others around us.

We continue to follow all mandated rules & regulations to keep our facility, residents & staff as safe as we can. NPHF Safe Visiting Policies and continuously assessing the current risk tolerance is helping us to achieve this. Once again, I truly appreciate and commend your efforts in doing your share of washing and sanitizing your hands as often as you can to help stop the spread.

Christmas Season is upon us, and we will celebrate and enjoy together, because "We Are All in This Together!"

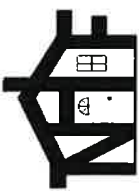

***May the spirit of Christmas bring you peace, grant you love and give you hope!***
