Re: Release of Demand Analysis Report  
Date: April 24, 2024

---

On June 29, 2022, a letter was distributed to member Municipalities requesting that North Peace Housing Foundation take the lead on completing a regional needs assessment on their behalf, as part of Stronger Foundations initiative – Alberta’s 10-year strategy to improve and expand affordable housing. We successfully received support from all 12 members.

On March 6, 2024, Derek Weiss presented the final Demand Analysis Report to the Board. At this time, I request Board approval to release the final report to the Foundation’s member municipalities, as well as Alberta Seniors, Community and Social Services.

Recommendation:

Direct Administration to release the Demand Analysis Report to our 12 member Municipalities and Alberta Seniors, Community and Social Services effective immediately.

Thank you for your

consideration,
